Mr. Ed Ebrahimian, Director
Bureau of Street Lighting
Department of Public Works
1149 S. Broadway, Suite 200
Los Angeles, CA 90015

Dear Mr. Ebrahimian:

As Councilman of the 10th Council District, I am pleased to lend my support to the Byzantine-Latino Quarter Business Improvement District's plan to install decorative medallions along Pico Boulevard from Western Avenue to the I-110 Freeway. The enhancement of this area is a priority and the medallions will beautify the area and help spread the message of peace and unity.

The medallions will be installed on Bureau of Street Lighting approved light poles and will be maintained entirely by the Byzantine-Latino Quarter Business Improvement District in accordance with your department's guidelines. If you have any questions or concerns, please feel free to contact my deputy, Cairo Rodriguez at 323-733-8233.

Sincerely,

HERB J. WESSON, Jr.
President, Los Angeles City Council
10th Council District
